### EXHIBITION INTRODUCTION:

Vietnam International Exhibition on Electronic products - VIETNAM ELECTRONICS 2023 is hosted by Adpex JSC for consumer electronics, mobile phones, and IT products held once a year in Ho Chi Minh City, Vietnam. Through innovation, VIETNAM ELECTRONICS 2023 Show brings together industries and retails and brands of all sizes, which is conducive to reaching cooperative relations, improving and eliminating trade barriers, and promoting good business transactions. The show expected to have more than 250 companies from local and abroad participated in this professional exhibition. 500 brands and more than 3,000 products were distributed in the 10,000 square meters exhibition center, attracting 12,000 professional visitors
